## **DETAILED ACTION**

1. This is in response to the applicant's amendment received on 09/23/05 in which claim 1 was amended and claims 2 and 5 were canceled.

## **EXAMINER'S AMENDMENT**

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Steven J. Hampton on 12/06/04.

The application has been amended as follows:

### **IN THE CLAIMS:**

- a) Claims 8 and 9 have been canceled.

## **REASONS FOR ALLOWANCE**

3. After further search and thorough examination of the present application and in view of the applicant's amendments, claims 1, 3, 4, and 6-9 are found to be in condition for allowance over the prior art made of record.
4. The following is an examiner's statement of reasons for allowance: The applicant teaches a voting tracking and reporting system, which includes an acquisition and processing configured to acquire data representing votes, encrypt the data, communicate with a communication network, transmit the encrypted data when requested by the communication network and a collection and processing system configured to receive the vote data, decrypt the vote data to determine the characteristic of the vote data, and stores

the vote data and the characteristic. These limitations in conjunction with other limitations of the dependent and independent claims were not shown by, would not have been obvious over, nor would have been fairly suggested by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
